

Calumet Specialty Products

Calumet Specialty Products Partners, L.P. is a specialty products refiner with operations in Shreveport, Cotton Valley and Princeton, LA; Karns City, PA; and Dickinson, TX. Calumet's current headquarters is in Indianapolis, IN and due to acquisitions and significant growth; the company has outgrown its existing headquarters office space.

Calumet, which employs 75 at its headquarters, wanted to examine options to expand its current headquarters or relocate to a location closer to its existing production facilities in Louisiana. The expansion project would lead to the creation of an additional 48 jobs over the next five years.
